FOREWORD

To produce an animated picture of the life at the Academy is the purpose of THIS IS S. M. A. Each building and area of the school are presented as they might be seen by a visitor. The activities that occur and the people who make the Academy a living reality are presented in word and picture as each locality on the Hill is visited.

PEOPLE come from all over the United States to visit "America's most distinguished Resort and Spa"—and yet it is less than one and a half hours away from Staunton—a pleasant drive over good federal highways.

After visiting Staunton, drive over for a short stay, and enjoy the things which have made The Homestead famous all over the world. Test yourself on our championship golf courses...play tennis under perfect conditions...shoot skeet or trap, or enjoy a carriage or horseback ride against a background of mountain scenery. The Homestead's new outdoor pool and sunbathing area are delightful, too.

Best of all, come and treat yourself to The Homestead's superb Southern Service, which makes even a short stay a wonderful relaxation.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or press man catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolic of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
